PRocraft Media

BRAND STRATEGY & VISUAL IDENTITY

Crafting Brands. Designing Experiences. Moving Stories.

One Creative Partner. Every Digital Touchpoint.

Great brands are not built from isolated assets.
They are built through connected experiences.
PRocraft Media unites strategy, design, and storytelling
to help businesses stand out, communicate clearly, and move forward.

- 01 Brand & Identity

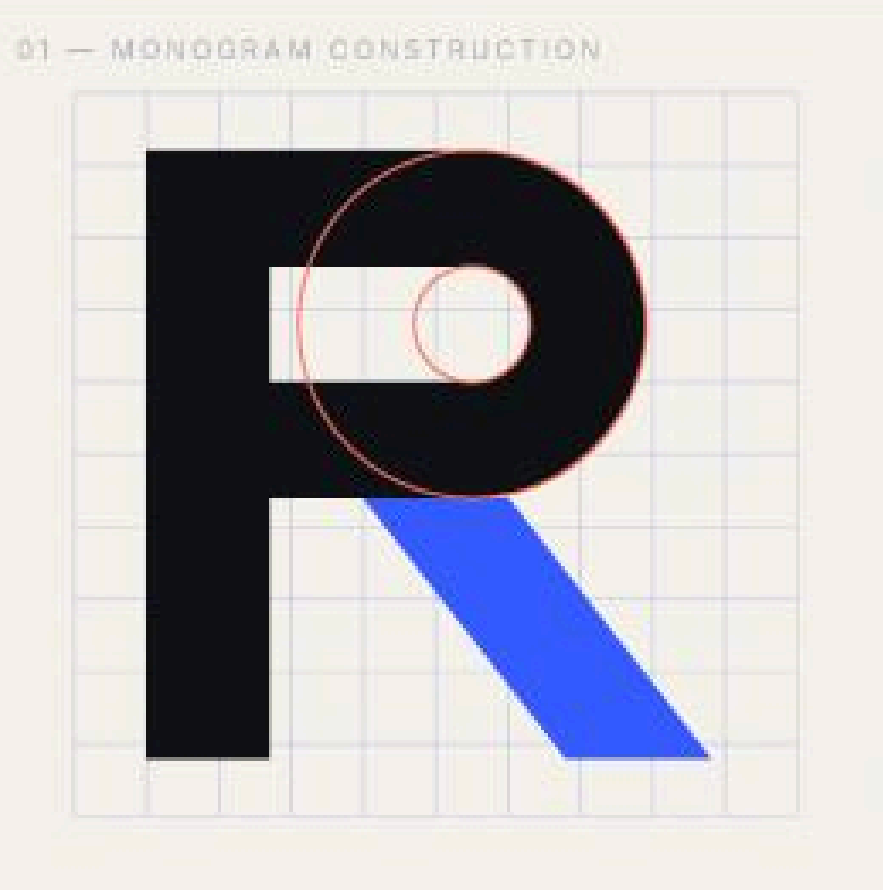
01 — MONOGRAM CONSTRUCTION



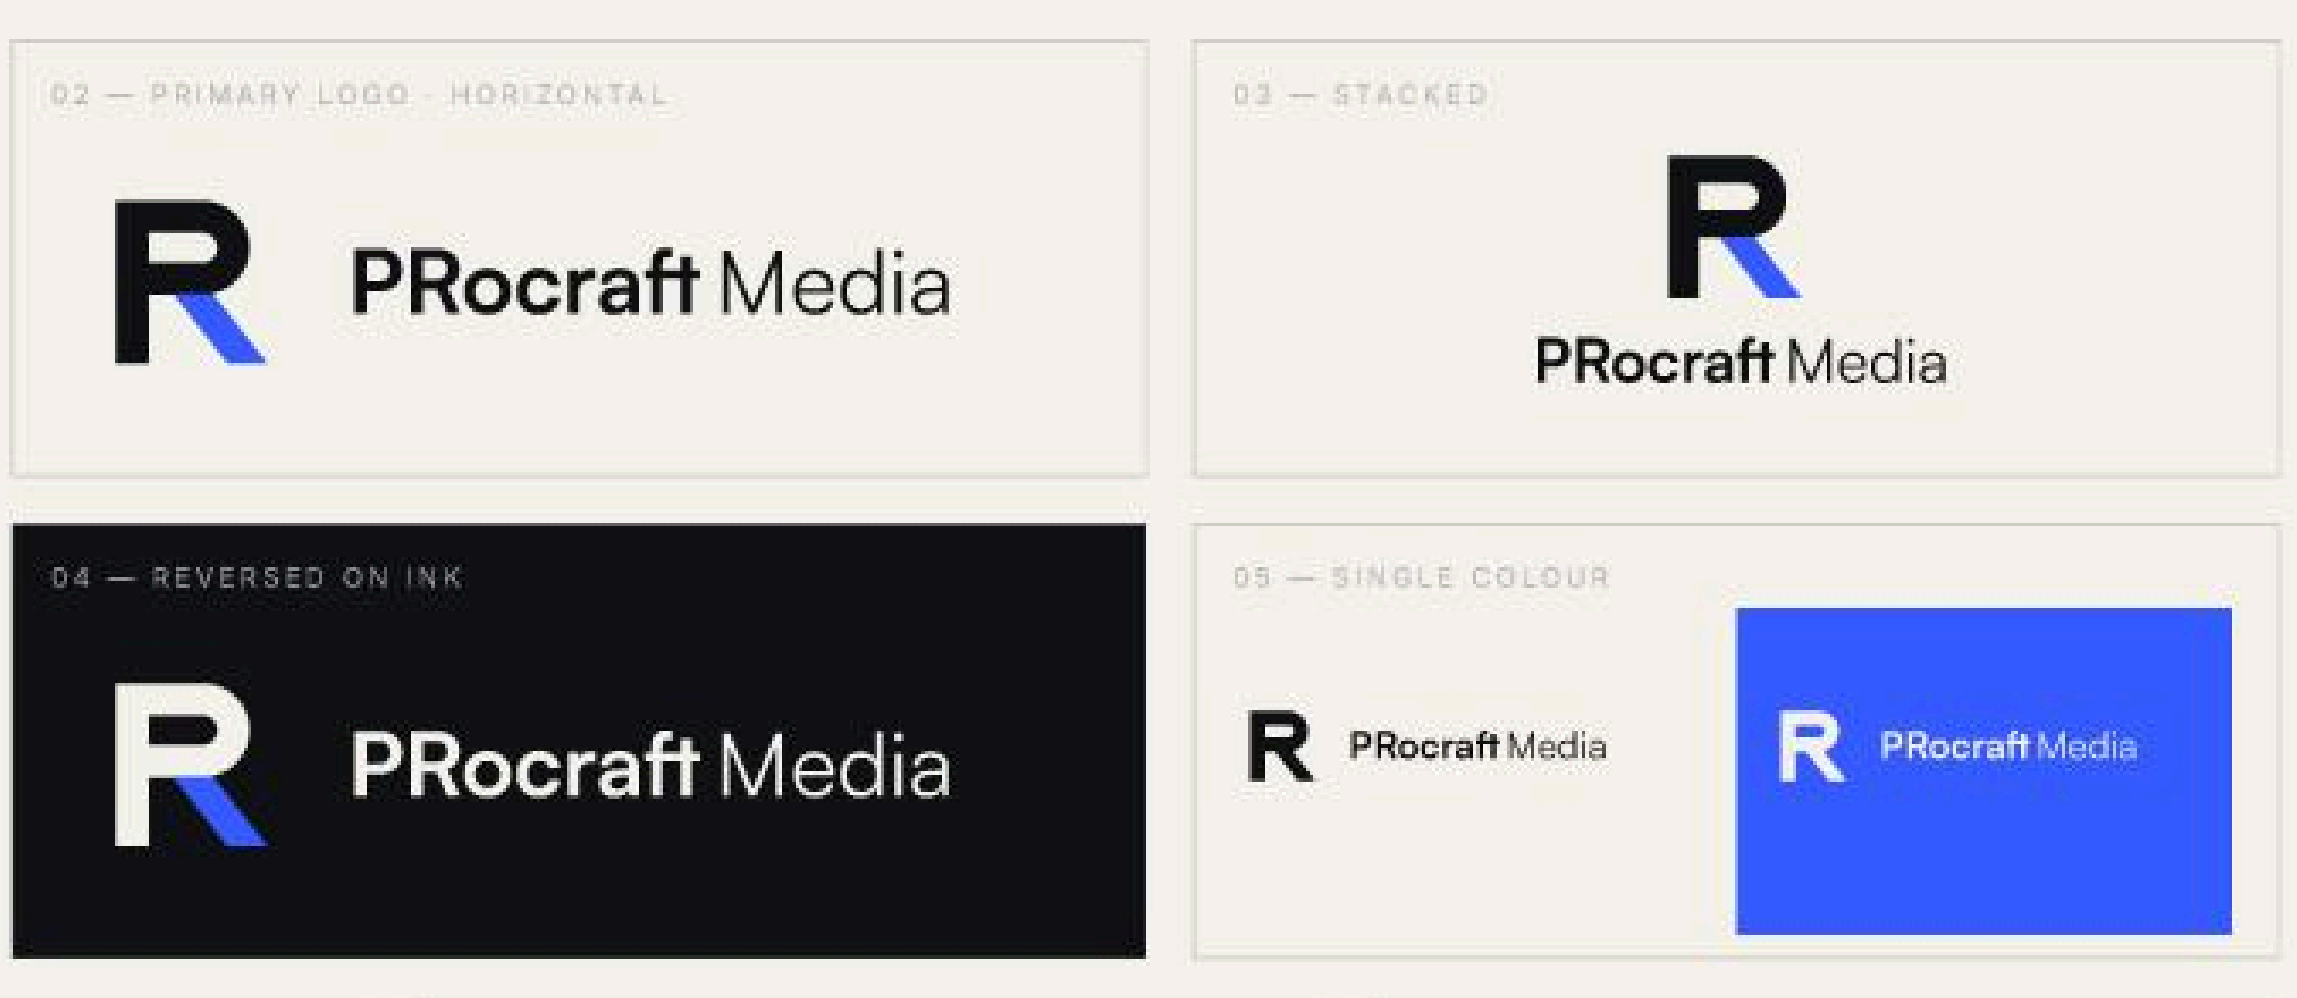
GRID
10 × 10 units

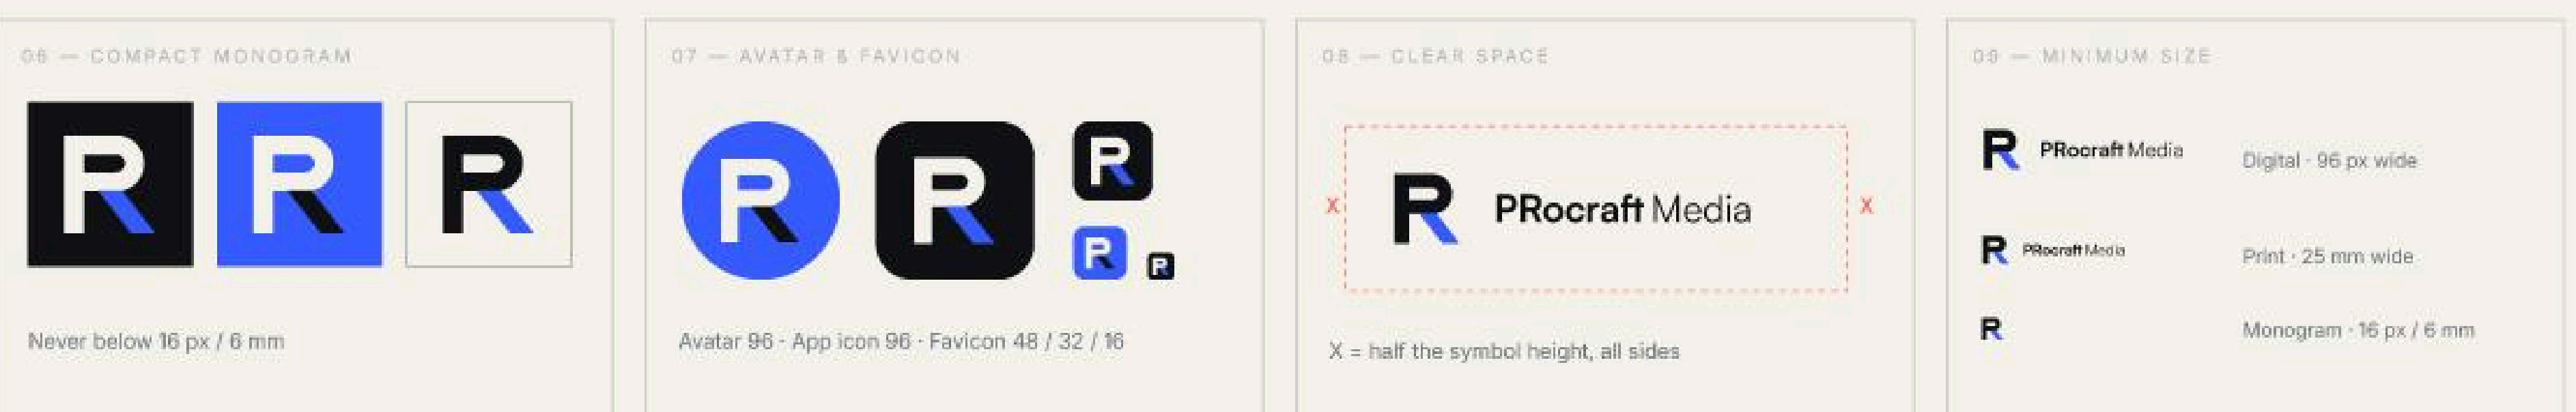
STEM
16 u wide

BOWL
Ø 48 u · inner Ø 16 u

ACCENT LEG
52° from baseline · cobalt

OPTICAL MARGIN
8 u on every side





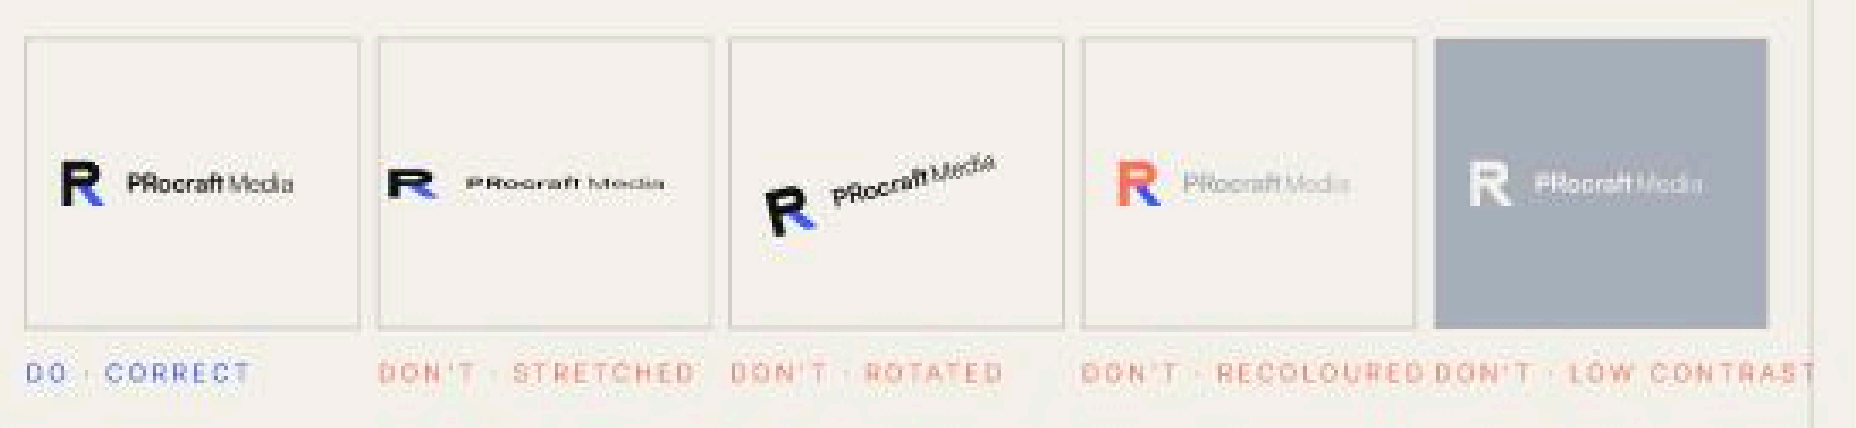
06 — COMPACT MONOGRAM: Never below 16 px / 6 mm

07 — AVATAR & FAVICON: Avatar 96 · App icon 96 · Favicon 48 / 32 / 16

08 — CLEAR SPACE: X = half the symbol height, all sides

09 — MINIMUM SIZE:
- Digital · 96 px wide
- Print · 25 mm wide
- Monogram · 16 px / 6 mm

10 — CORRECT & INCORRECT USAGE



Keep proportions locked; scale uniformly only.
Use approved colourways: ink, ivory, cobalt or single colour.
Maintain clear space of X on every side.
No effects, outlines, glows or re-set wordmarks.

11 — DESIGN RATIONALE

The PR monogram represents creative precision and connected disciplines. Its geometry balances structure with expression, while the wordmark communicates confidence, clarity, and contemporary craft.

DESIGN PRINCIPLES

01 **Precision**
Every detail serves a purpose.

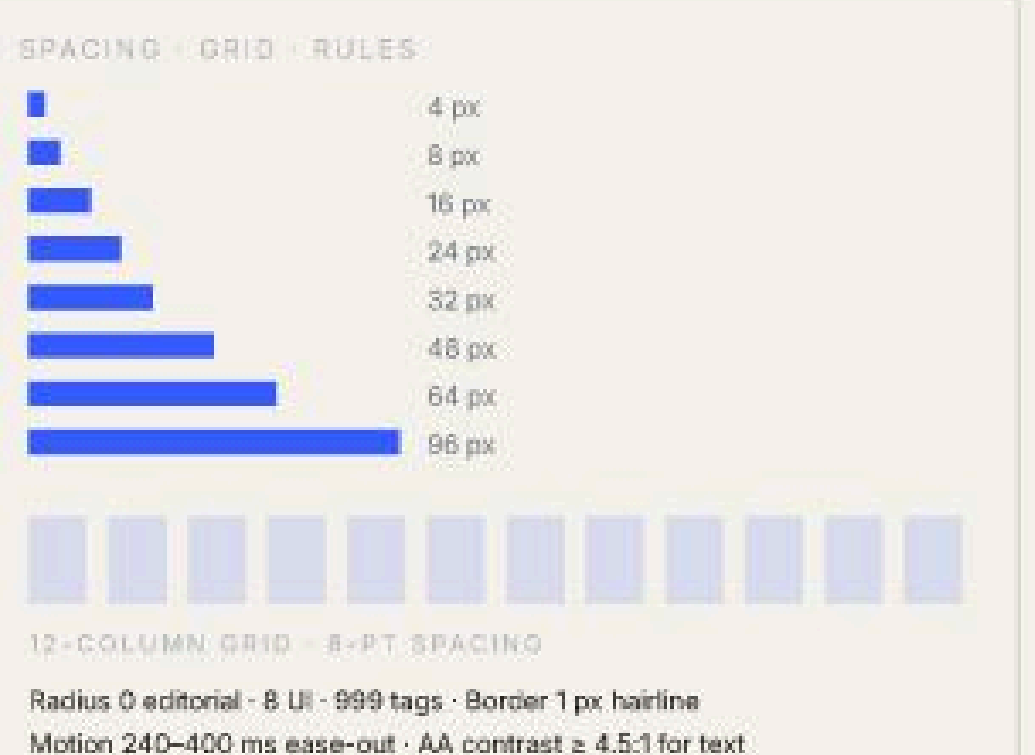
02 **Connection**
Every discipline serves one objective.

03 **Expression**
Distinctive visuals make ideas memorable.

04 **Consistency**
One identity across every touchpoint.

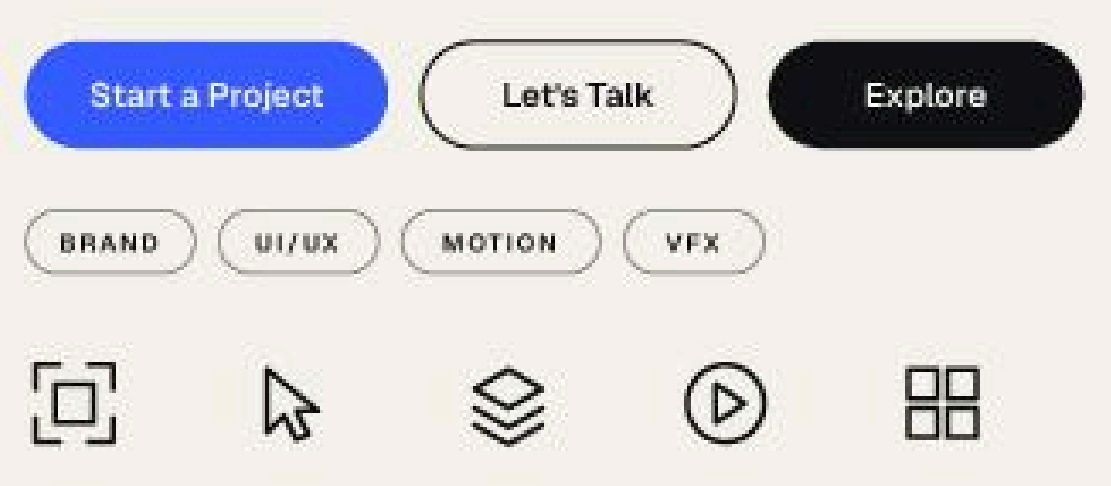
05 **Motion with meaning**
Animation guides attention and intent.

SPACING · GRID · RULES



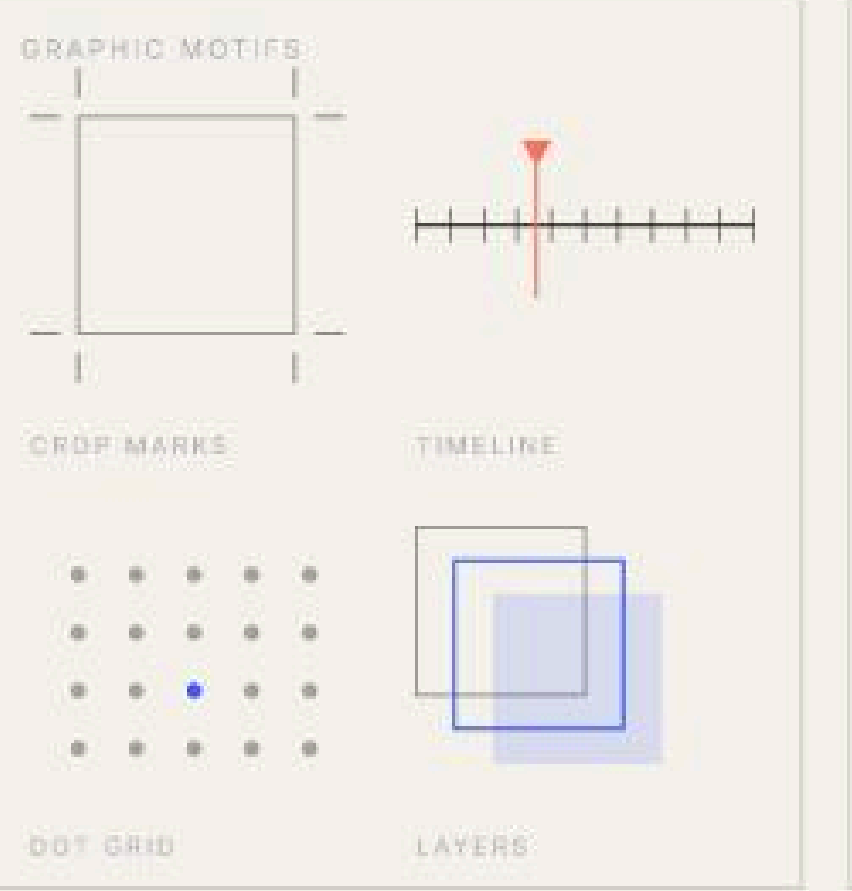
Radius 0 editorial · 8 UI · 999 tags · Border 1 px hairline
Motion 240–400 ms ease-out · AA contrast ≥ 4.5:1 for text

COMPONENTS & ICONOGRAPHY

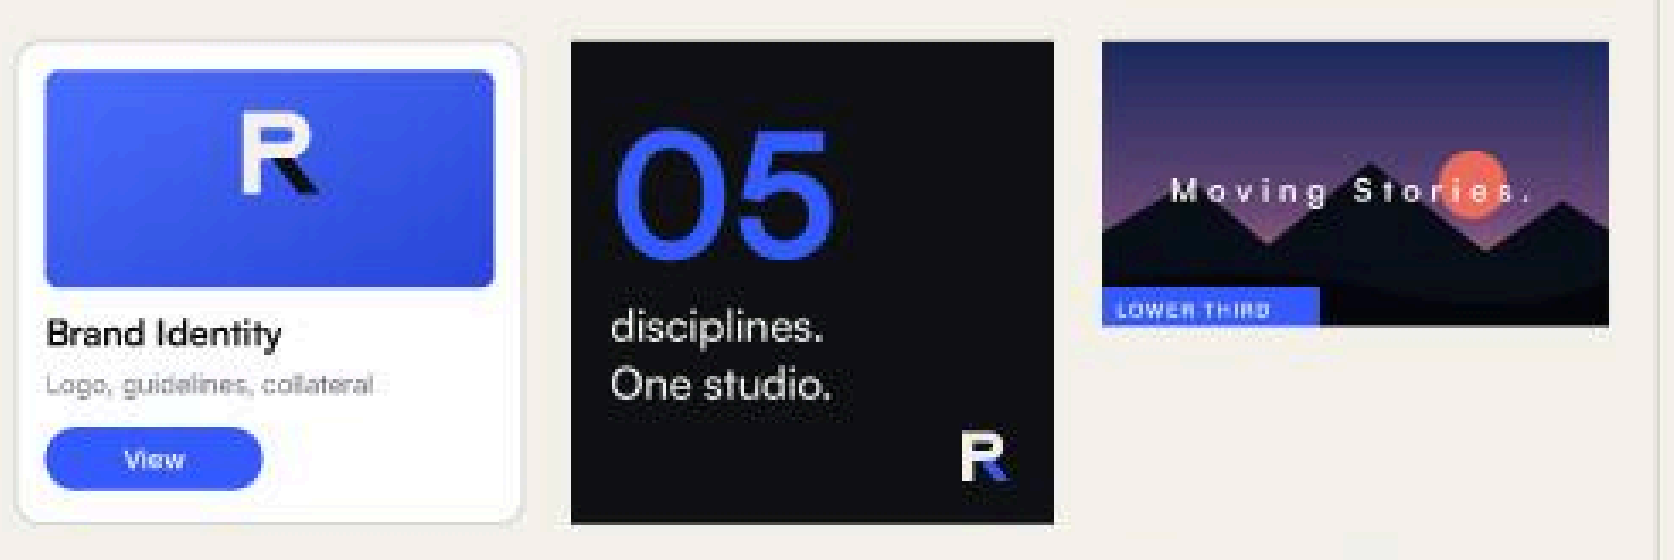


Imagery: natural light, graphite surfaces, one cobalt accent per frame.
No stock clichés, sparkles or heavy gradients.

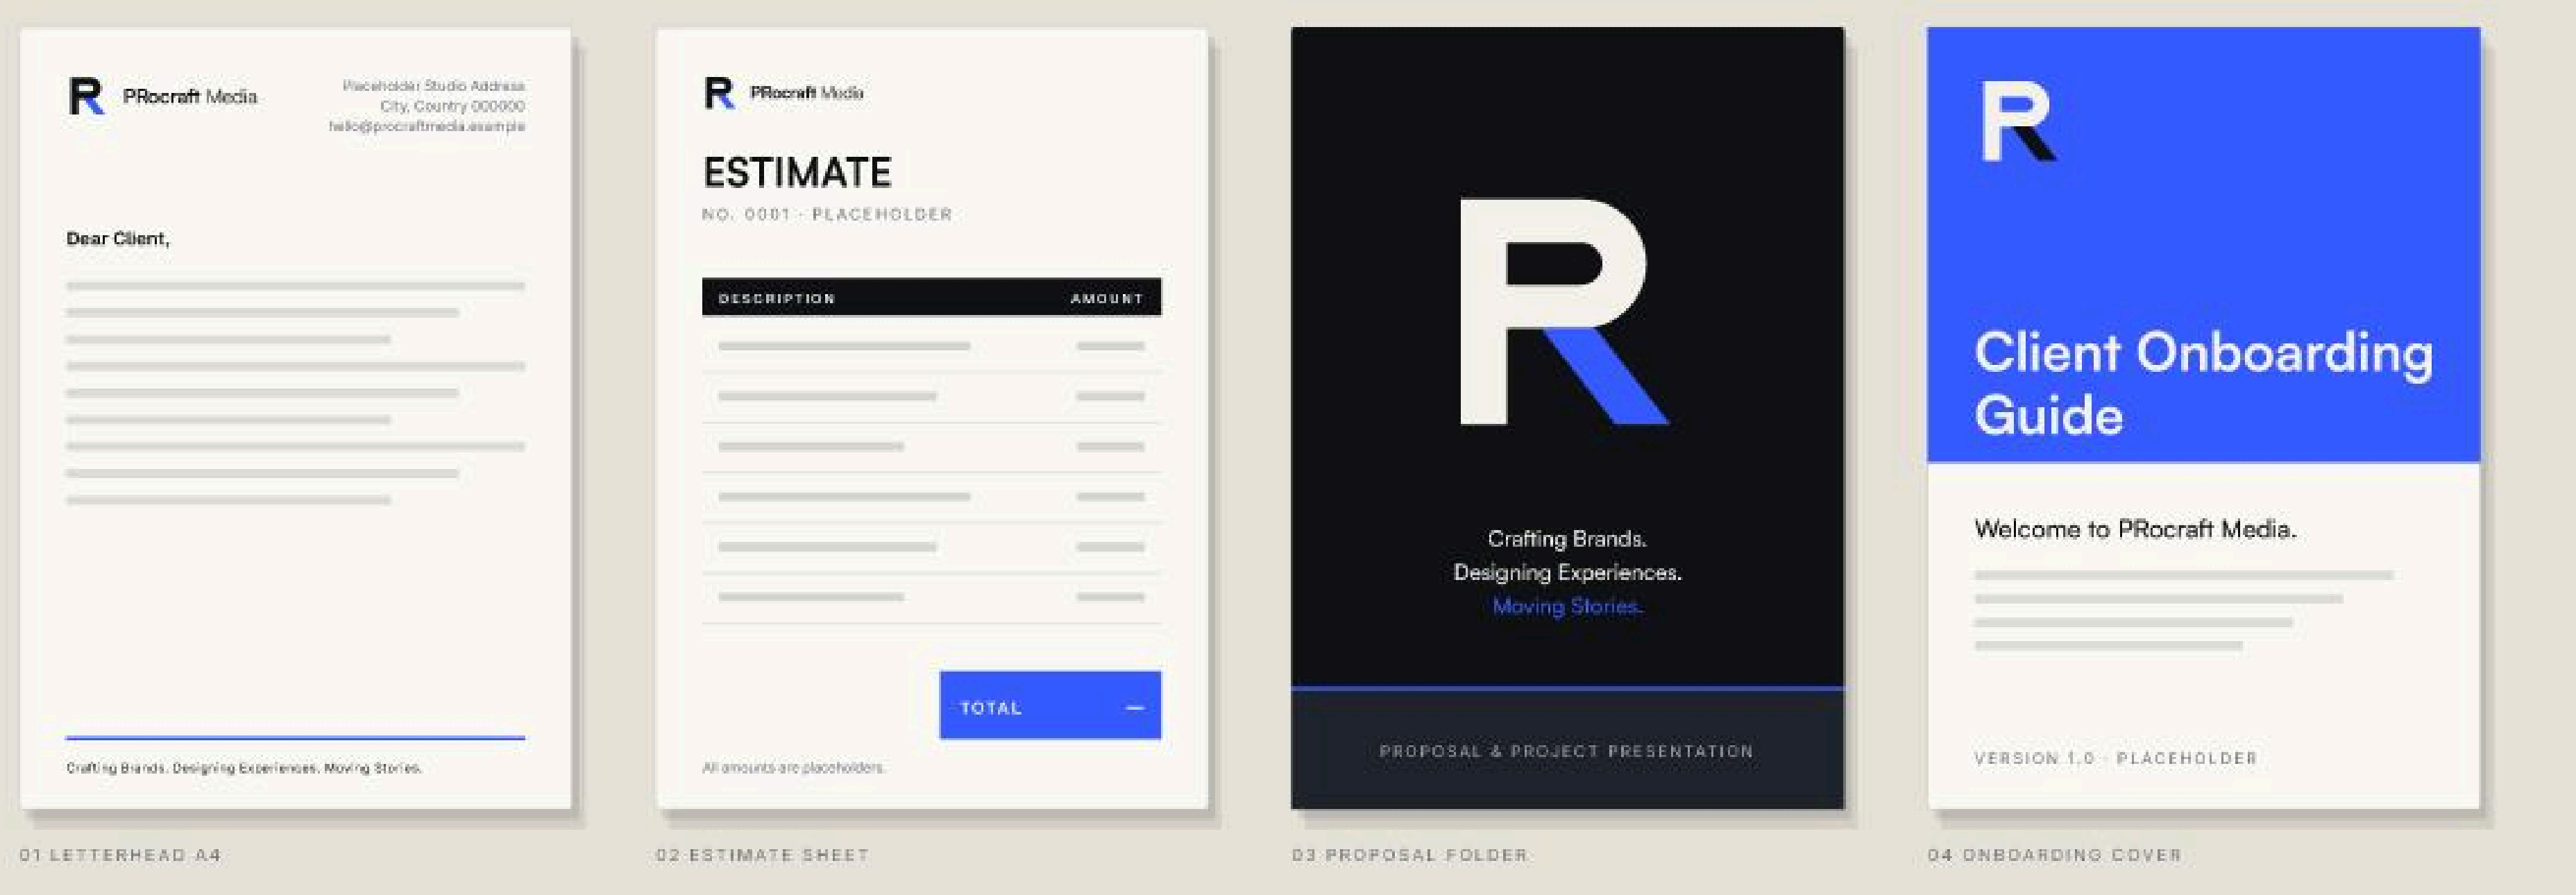
GRAPHIC MOTIFS

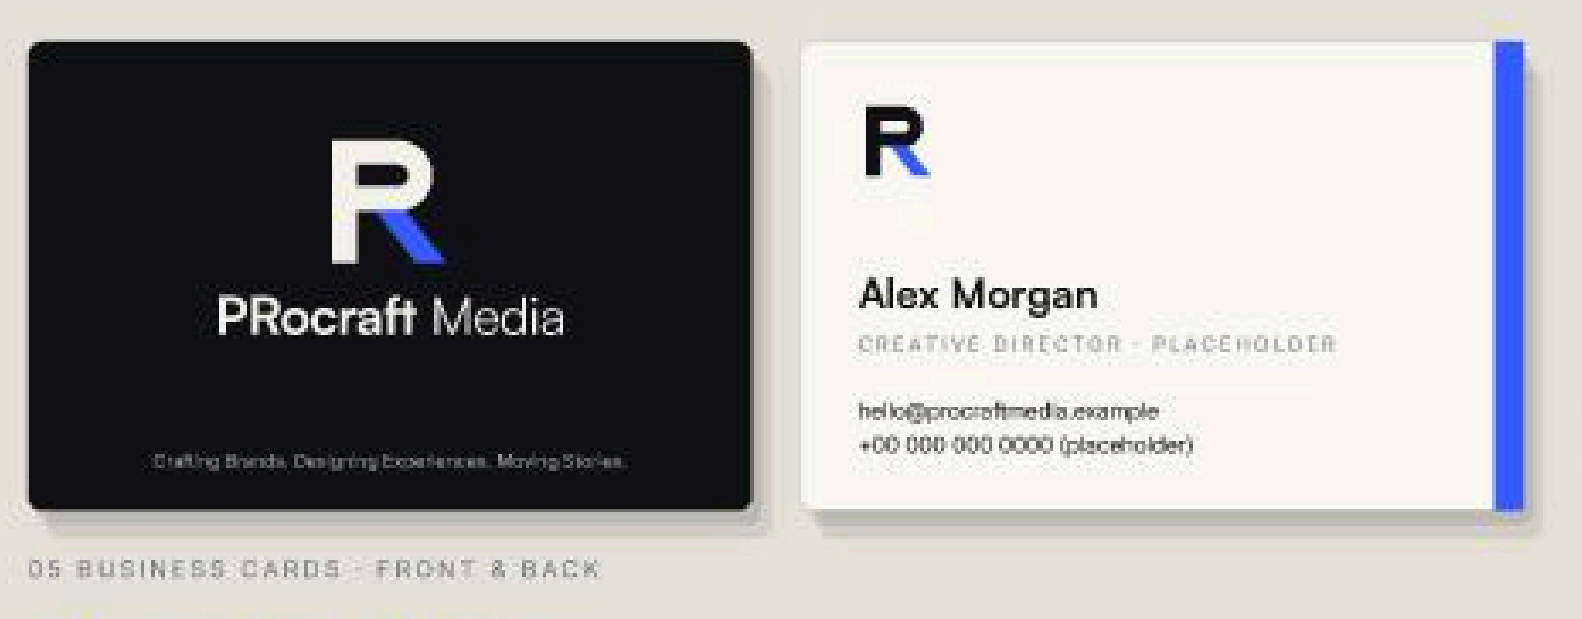


APPLYING THE SYSTEM



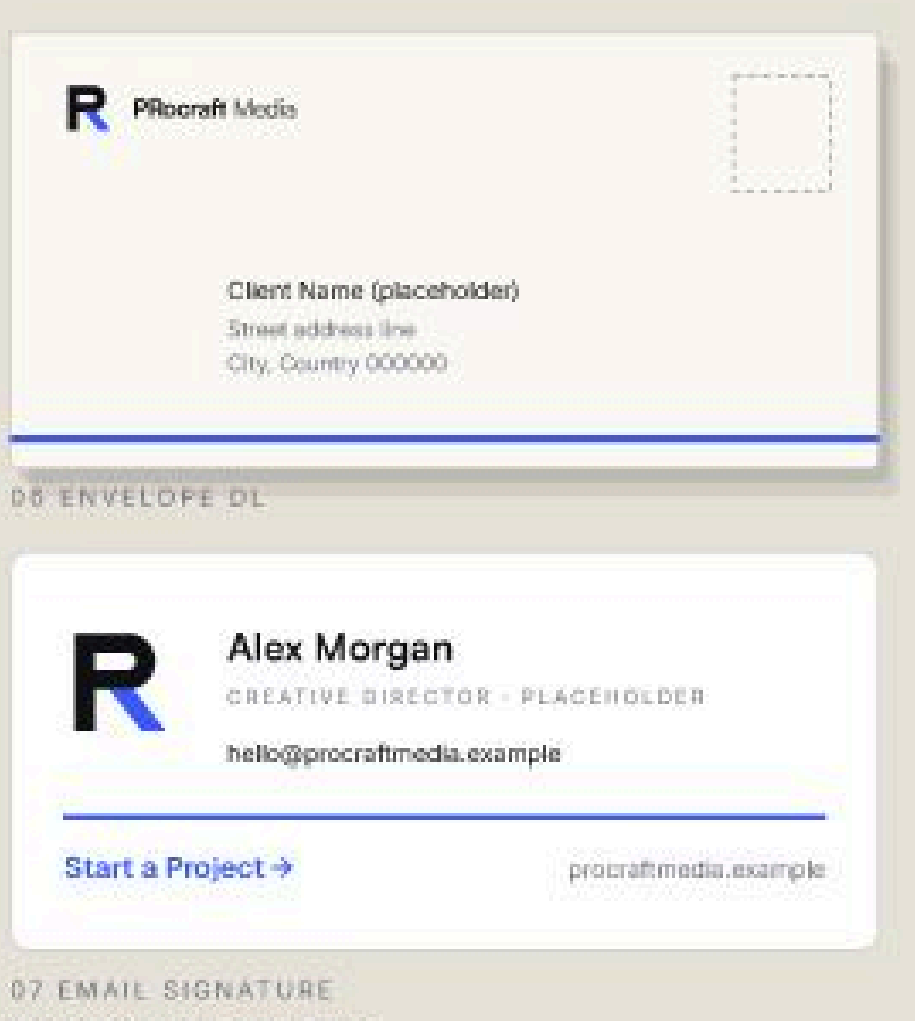
Palette, type, spacing and logo placement carry across web, social and video.
Cobalt leads; coral appears once per composition at most.





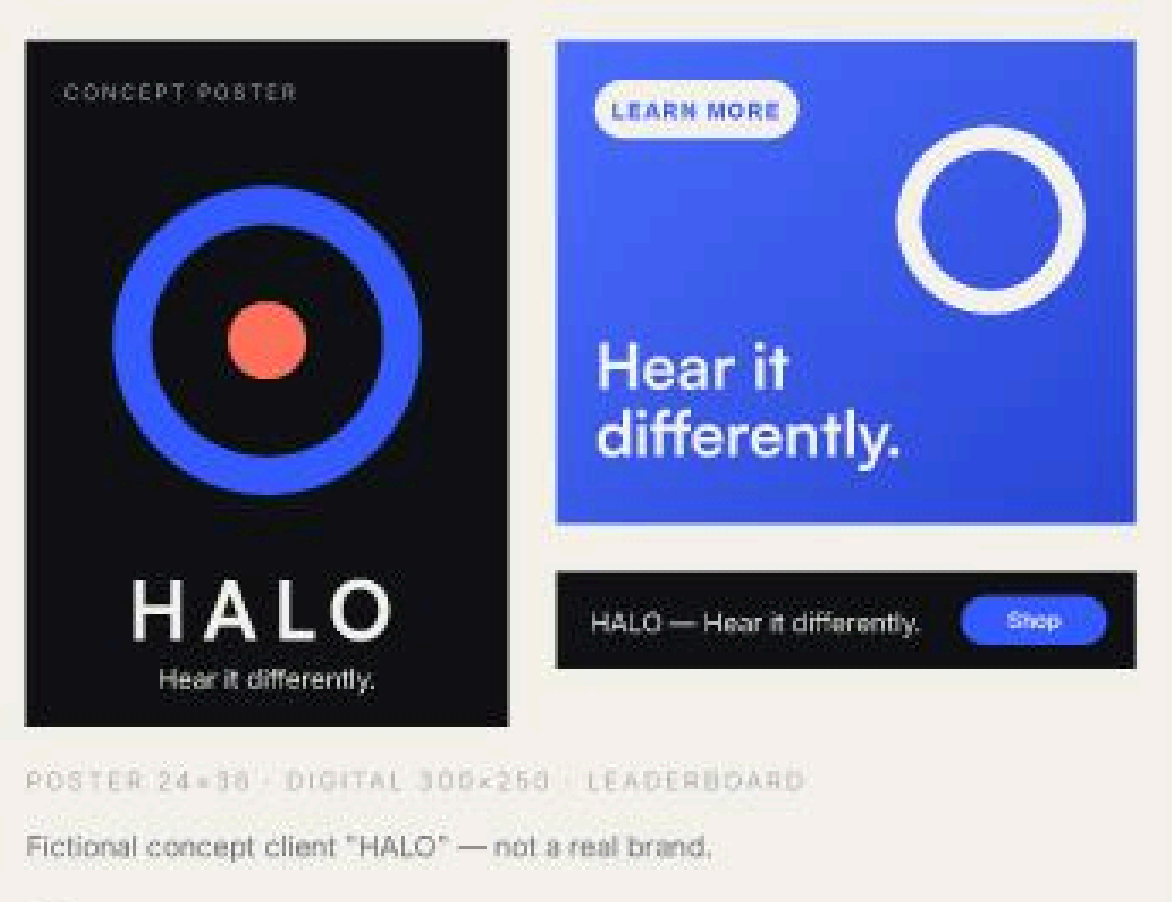
PRocraft Media
Crafting Brands. Designing Experiences. Moving Stories.
Alex Morgan
CREATIVE DIRECTOR · PLACEHOLDER
hello@procraftmedia.example
+00 000 000 0000 (placeholder)
05 BUSINESS CARDS · FRONT & BACK

PRINT SPECIFICATION (CONCEPT)
Business card 85 × 55 mm · 400 gsm uncoated · spot-gloss monogram
Letterhead A4 · 120 gsm ivory stock · cobalt rule 0.5 pt
Envelope DL 220 × 110 mm · folder A4 with 90 mm pocket
Notebook A5 · cobalt elastic · blind-emboss monogram



Mockups are visual specifications only. Production artwork requires 3 mm bleed, printer templates and CMYK/Pantone conversion. All contact details are placeholders.

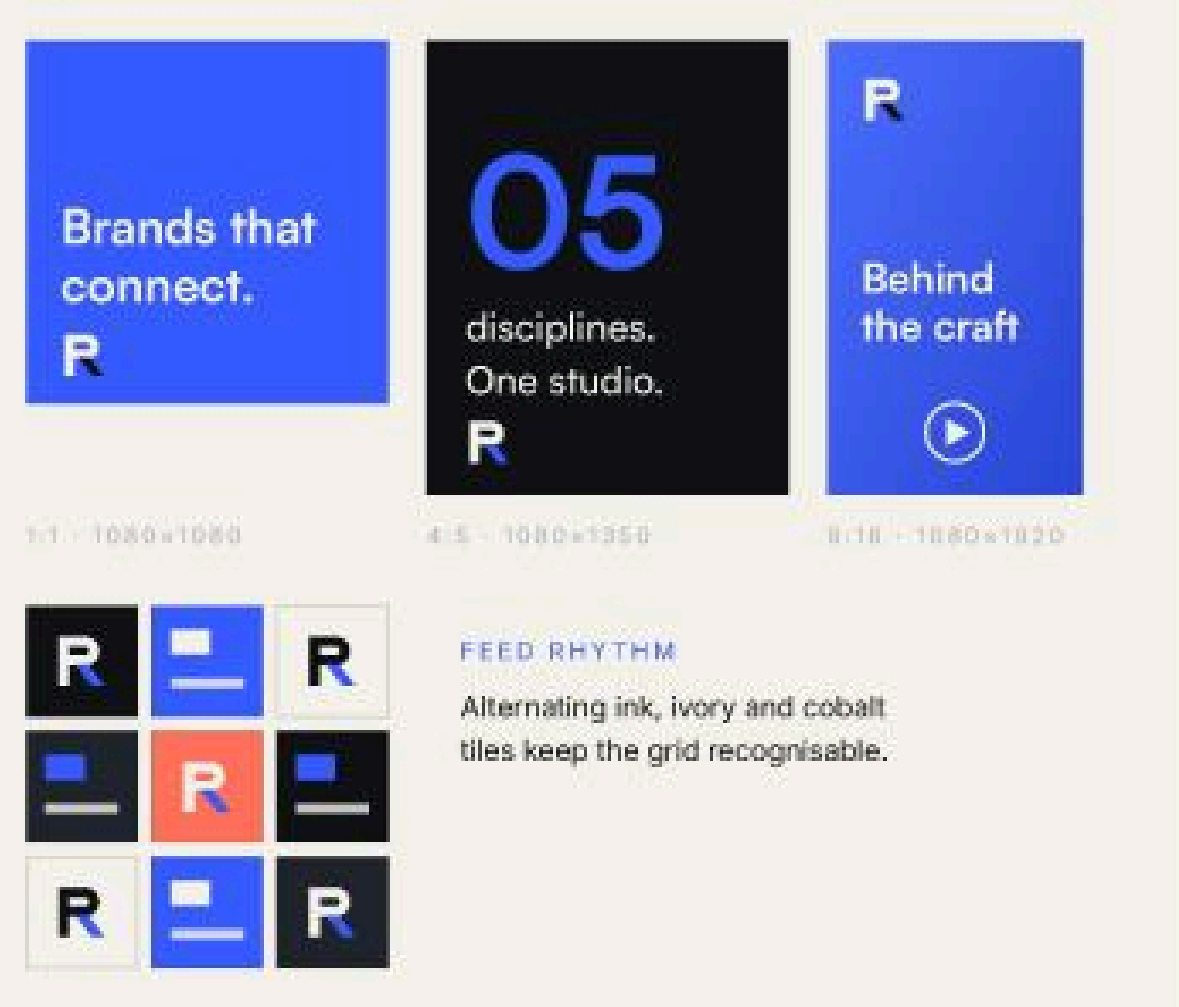
01 BRAND CAMPAIGN



Fictional concept client "HALO" — not a real brand.

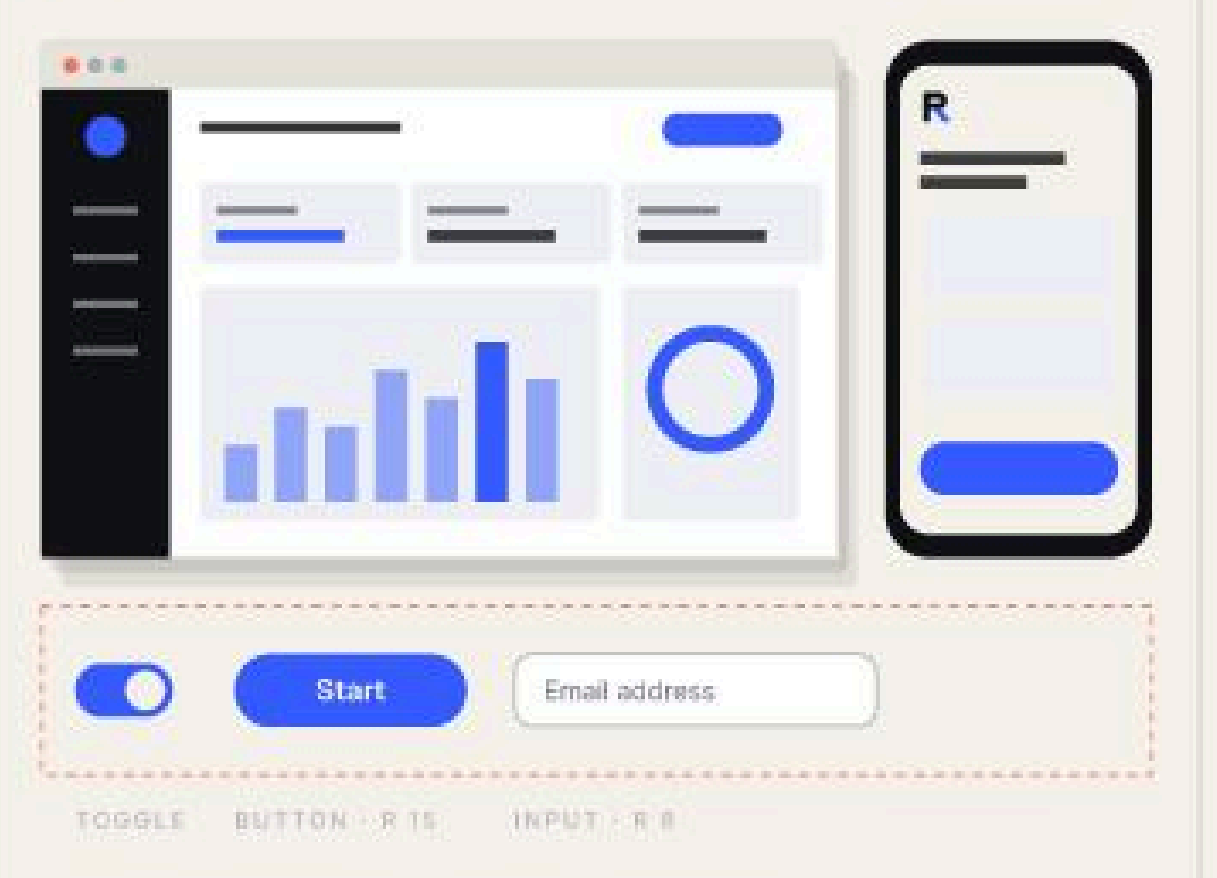
Campaign system

02 SOCIAL MEDIA SYSTEM



FEED RHYTHM
Alternating ink, ivory and cobalt tiles keep the grid recognisable.

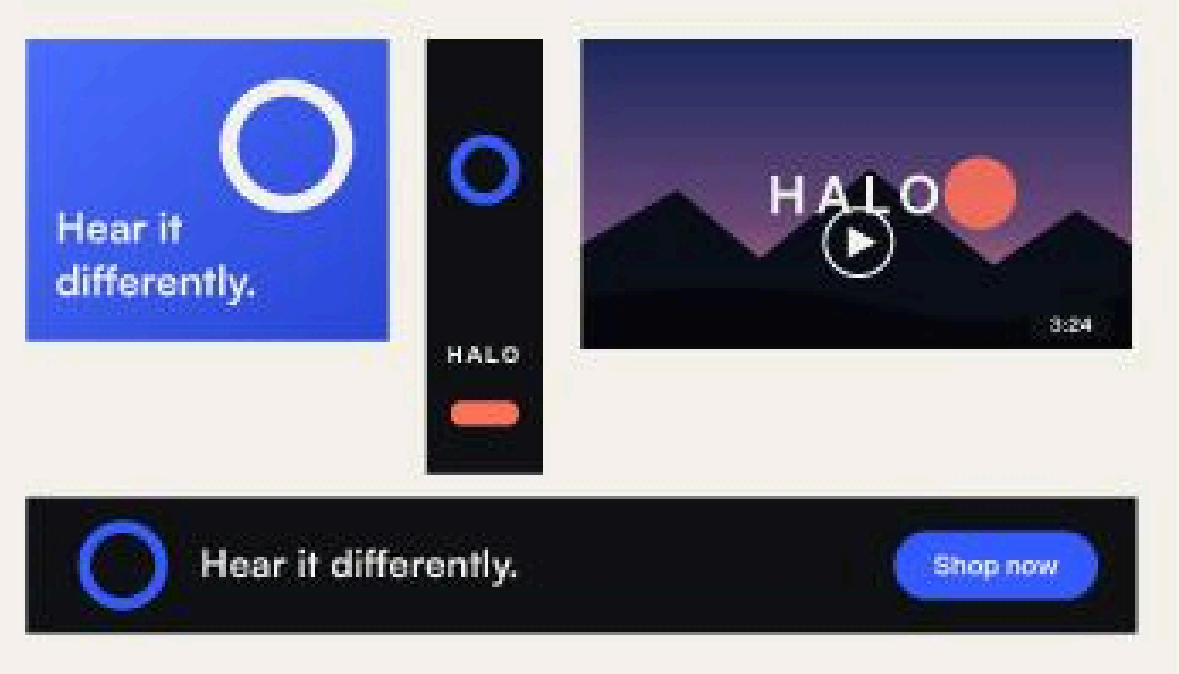
03 UI/UX CASE STUDY



Tokens: cobalt-500 #365CFF · radius 8 · 8-pt spacing.
Desktop dashboard with mobile companion.

04 MOTION GRAPHICS & VIDEO

05 DIGITAL ADVERTISING



01 One message per placement
02 Cobalt marks the single action
03 Logo bottom-right, clear space X

300×250 · 160×600 · 728×90 · 16:9 THUMBNAIL

06 APPLICATION NOTES

01 LOGO
Top-left or bottom-right; never over busy imagery.

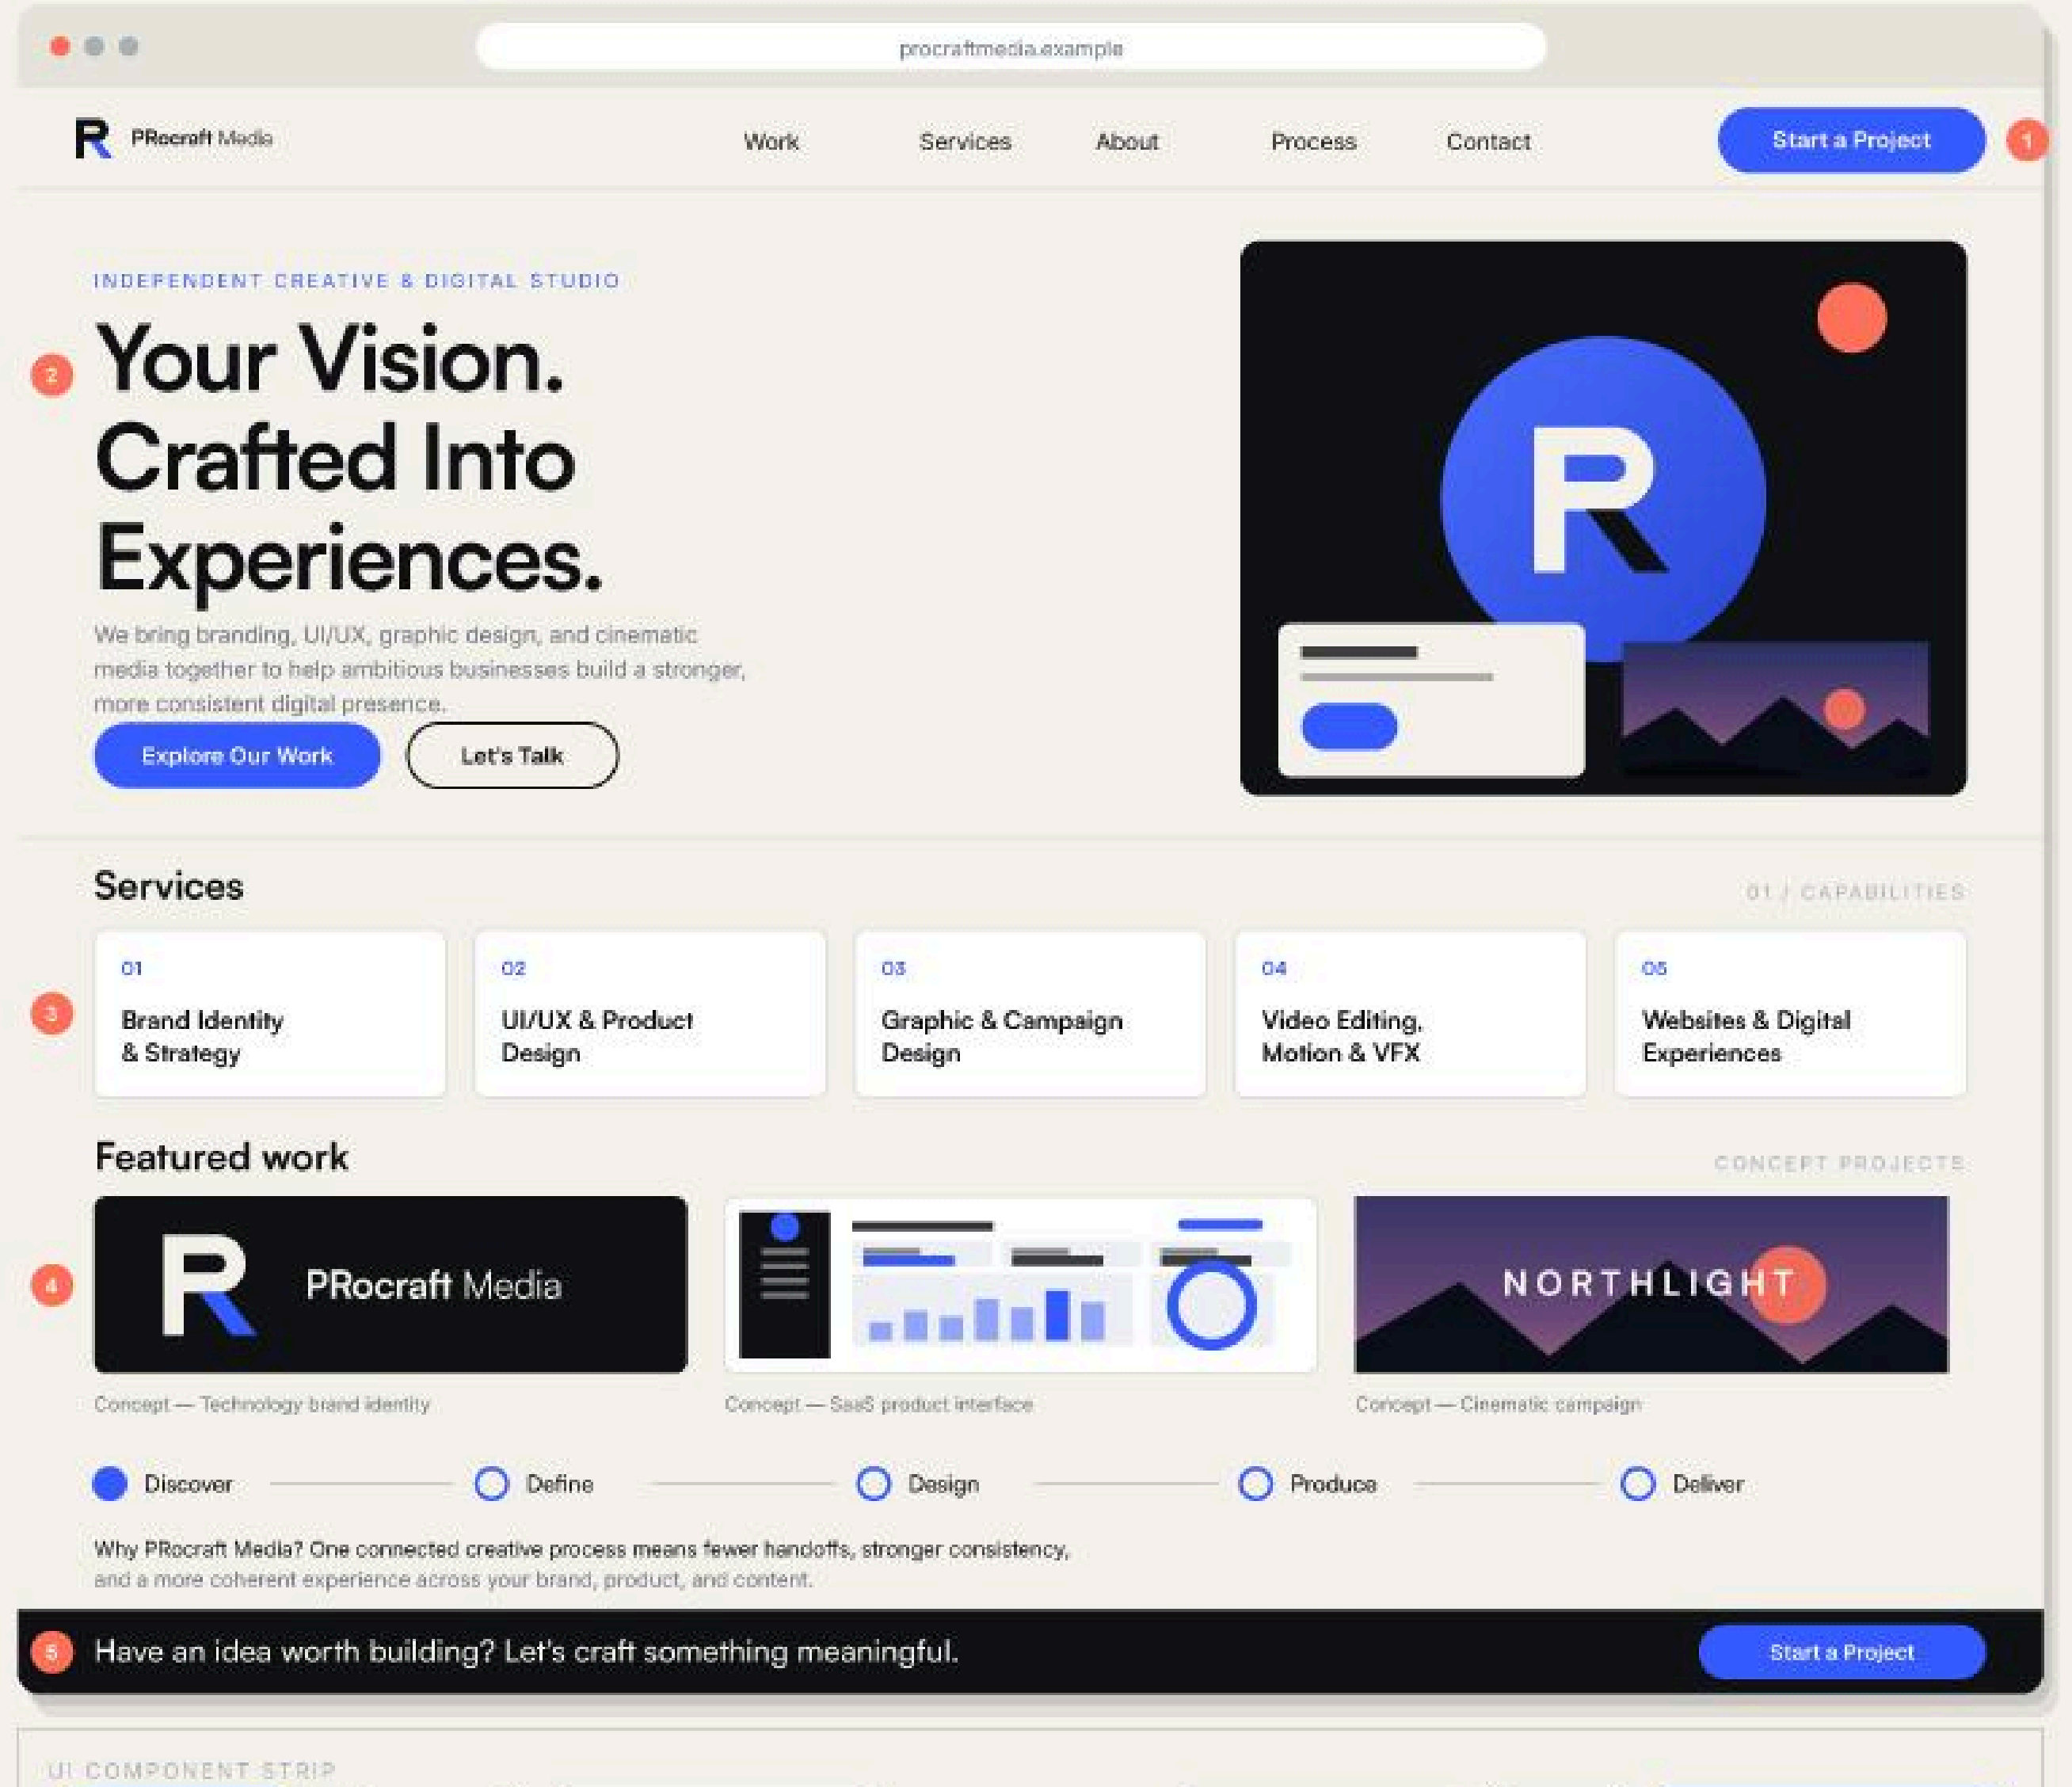
02 ACCENT
Cobalt leads (~10%); coral for one emphasis only.

03 IMAGE
Natural light, graphite shadows, one focal point.

04 TYPE
Space Grotesk headlines, Inter body; two weights max.

05 GRID
12 columns, 8-pt spacing, 1 px hairlines.

06 CONSISTENCY
One logo, one palette, every touchpoint.



INDEPENDENT CREATIVE & DIGITAL STUDIO

Your Vision. Crafted Into Experiences.

We bring branding, UI/UX, graphic design, and cinematic media together to help ambitious businesses build a stronger, more consistent digital presence.

Services

UX DECISIONS
1. Primary CTA persists in the nav — always one tap away.
2. Headline carries the promise; cobalt only for emphasis.
3. Five services as connected cards, scannable in seconds.
4. Concept case studies — clearly labelled, no invented clients.
5. Closing CTA repeats the action after the proof.

Mobile — single column, 44 px touch targets.
Tablet — two-column grids on an 8-pt rhythm.
Desktop — 12 columns, 1440 px reference width.
